DOLLAR A YEAR COUNCILLORS

As a result of the protest of 20 proprietary electors against Bylaw 23/62, our Mayor and Councillors are working for nothing. The petition made it clear that they were not protesting the allowance provided for Mayor and Councillors attending meetings of Council, but rather, a part of Bylaw 23/62 which also provides a special allowance to the Mayor for laying out and inspection of works undertaken by the town. We regret that this petition has affected payments for attendance of Mayor and Councillors, because we know that each of them are at the moment, giving from 25 to 30 hours of their time each week for committee and Council meetings. Something should be done, that at least the attendance of Mayor and Councillors should be reimbursed. The Council rescinded the whole bylaw, and we cannot see why a new bylaw should not be prepared as soon as possible to give the Mayor and Councillors at least that part which is the minimum for all the work they are doing. We were very much

impressed by the clear report by the Management Committee which proved undoubtedly that the Mayor and Councillors are trying very hard to resume the town business which has been held up during the past month. The forming of a Technical Advisory Committee may possibly solve the protested part of the bylaw. We cannot work in our town with a dollar a year Council. What would happen if our school boards were following this idea? We sincerely hope that this unpleasant situation will not last too long.

Monday night's Council meeting was a very busy one. Most of the evening was concentrated on the Management Committee's report presented by temporary Manager-Councillor DeBruijn. The following items came under discussion: **Curling Club:** Financial statement should be completed by next week. Mortgage request was turned down. A representative to attend any meeting discussing the Curling Club.

Fire Hydrants: Further information requested regarding use of hydrants on Sheridan Drive and Scarborough Place with additional hose.

Street Lighting: A map was presented showing the proposed additional street lights to be installed.

Underground Fuel Storage Tanks: Consider installing underground tanks next year.

Duties of Secretary Treasurer: To be taken up at next meeting. Consideration given to reducing the 6 months clause to 90 days.

Request for Minutes of Committee Meetings to be Published: St. Albert Gazette advised that this is not possible.

Staff Overtime: Salaried Staff to be paid time and a half, and double time on Sundays, for all hours worked over 7½ hours per day and 37½ per week, except where agreement has been reached regarding the minimum number of hours to be worked.

Applications for position of Town Manager: All applications to be acknowledged and further considered.

Resignation of Town Engineer: Mr. D. Kehling's resignation was accepted.

St. Albert School District No. 3

The new school term will open in the St. Albert School District No. 3 on Tuesday, September 4th. With the continued growth of St. Albert it is only natural to anticipate a rather sizeable increase in the student population. Plans have been made to be prepared for the expected rush. Extra staff has been engaged, new rooms have been readied and equipment and supplies are on hand. It is expected that the enrollment will show an increase of some 20% with the majority being in the elementary grades. The student population for the Junior and Senior High School should reach about one hundred and fifty each. As in the past the larger student body will be consecrated in Vital Grandin School, which houses both elementary and Junior High School facilities. Father Jan School will continue to accommodate the Mission Park area students in Grades 1 to 4 level. Registration for the Elementary and Junior High Students will

begin at 9:00 a.m. Tuesday, September 4th.

Early registration of the High School students will commence on Thursday, August 30th at 9:00 a.m.

Since the students registering in grade 10 will be entering a new and very important phase of their lives, much attention should be given them during this period. In order that they may be better acquainted with the High School Course of Study pattern, the entire morning will be devoted to them. Parents of these students are urgently requested to accompany their grade 10 children. It is hoped that at least one parent will be able to afford each child this moral support.

As the grade 10 enrollment will be comparatively heavy, and so that more time may be devoted to each student, it has been decided that the registration can be more efficiently conducted if the students will register in groups. Those whose family name commences with the letters A to G should register between the hours of 9:00 - 10:00 a.m. Names in the H to P group would register from 10:00 to 11:00 a.m., while the Q to Z group would use the 11:00 to 12:00 hour. Grade 11 students should register from 1:00 to 2:15 p.m., with the grade 12 students using the 2:15 to 3:30 period of this Thursday afternoon, August 30th. The High School Staff will hold its organization meeting on the morning of September 4th. The students will attend for the first classes in the afternoon of Tuesday, September 4th at 1:00 p.m. Text Book Rental service is offered to all students throughout the entire school system. Bus service is supplied to the students attending Vital Grandin School. Parents should advise their children to be observant of the location at which

they are to meet the buses. New residents in particular, and any who may be in doubt, should contact the school principals or the Secretary Treasurer's office for information and direction.

St. Albert School District No. 6

The schools operated by this district will open from 9:00 a.m. to 10:30 a.m. on Tuesday, September 4th, for registration only, at the Sir Alexander Mackenzie and the Sir George Simpson Schools. Pupils for the two portable buildings will register at the Mackenzie. In addition, registration for all students may be completed between 9:00 a.m. and 4:00 p.m. on any day between August 27th and 31st at either of these schools.

ols. New students to the district and students from grade 7 to 11 are particularly urged to register during this week. Those who do so will not be required to report on September 4th. Parents of children of kindergarten age may also register their children during that week. Beginners should normally reach their sixth birthday by December 31st. However, children whose development and maturity warrants it, may be accepted if the sixth birthday falls before midnight on February 28th. Grade 12 students will attend St. Albert High School where fees will be paid by S.D. #6. They will comply with the registration instructions issued for the High School.

Mission Park Portable will accommodate children in grades 1 & 2 from the area. Sir George Simpson School The new wing

home is nearer to another school building than that designated. Bus service will be provided, particularly for the movement of students from Grandin Park area to the Mackenzie School and from Mission Park area to either of the schools.

A school book rental system is followed by the school district and the only supplies parents need purchase are pen, pencil, eraser, ruler, crayons and the like, and these are also available in the school at prices below retail.

Accident insurance is available. School hours have been changed from last year and will be from 9:00 to 12:00 and 1:30 to 4:00 p.m. This should permit most children to return home for their lunch.

If this is impracticable due to distance from the school, the parents should inform the school, preferably by note.

We are sending a grade 1 student to the Hard of Hearing classes at Garneau School in Edmonton. Transportation is required to arrive before 8 a.m. and leave after 3:15 p.m. If you can take the child to or from Edmonton, contact the Protestant Separate School Board office 599-6583.

MISSION PARK SCHOOL

Mission Park This school, operated by

the County of Sturgeon, serves the area surrounding the town of St. Albert. Students are brought to school by bus each day. Mission Park School will open for registration of pupils on Tuesday, September 4th at 1:00 p.m. Buses will pick up students in time to attend, and return them home at 3:30 p.m. School hours thereafter will be from 9:00 a.m. to 3:30 p.m. Pupils from grades 1 to 9 will be accommodated. As in the past students from the district in grades 10, 11 and 12 will attend the St. Albert High School, and will follow instructions for registration of High School pupils.
